

LED LINEAR HIGH BAY

(High Ceilings / Warehouse)

The Energywise Linear High Bay is offered in lumen packages as high as 42,000, is wattage selectable with different length options to choose from. It comes standard with a suspension kit and hooks for easy install. It is great to use in building with high ceilings, and is simple to add: emergency back ups, motion sensors, choose between a frosted or clear lens, add a wire guard, and more.
