

LED COMMERCIAL DOWNLIGHT

(General Indoor / Outdoor)

The Energywise LED Commercial Downlight includes selectable wattage and selectable color changing technology! Available in 4 different sizes. With a simple switch on the back of this downlight, easily select between a number of different wattages, and choose between 3000K (Warm White), 4000K (DayLight), and 5000K (White Light). Suitable for use in wet locations as well as being an IC and airtight rated fixture. With a J-Box, this fixture allows for easy daisy chain installation.
